Pet Expo Singapore and ARC Health Services present

THE SCIENCE AND APPLICATION OF ANIMAL REHABILITATION THERAPIES MASTERCLASS CONFERENCE

The ARC Health Services brings to you a group of experienced veterinarians and practitioners to talk about the uses and reasons for holistic management of health and wellbeing of animals through the use of different types of therapies. With a better understanding of the therapies, pet owners like you and me can manage our beloved pets better when met with health complications.

Date: 26 and 27 March 2016 (Saturday and Sunday)
Venue: Singapore Expo Hall 7, PET-ducation Room
Time: 11.00am - 4.00pm
Price: \$58* per day

*Price includes same day admission to Pet Expo for one pax, valid only on the day of conference. Price is inclusive of goodie bag, light lunch and tea break. Pet Industry Professionals enjoy a special rate of \$30 per day, name card to be presented during registration. Write to us at hello@petexposg.com for more information. *Other terms and conditions apply.*
